## Work Experience

**Columbus College of Art & Design • Columbus, OH**  
August 2017–Present  
Adjunct Instructor

Instructor in the Advertising & Graphic Design department.

**Battelle • Columbus, OH**  
July 2017–Present (full-time)  
June 2016– June 2017 (contract)  
User Interface Designer

Works with team of designers and human factors experts to incorporate a data-driven design process and create interface design concepts that meet user needs, regulated requirements, and project objectives. Design projects include wireframes, software interfaces, mobile apps, websites, UI style guides and internal marketing collateral.

**treetree • Columbus, OH**  
March 2015–June 2016  
Graphic Designer

Worked closely with designers, copywriters, and project managers on print and digital communications for local and national clients; including retail, insurance, financial, healthcare, small businesses, and non-profit organizations. Responsible for execution from concept to design on branding, campaigns, print collateral, direct mail, packaging, websites, new business pitch materials, and other advertising media.

**CWT Interactive • Columbus, OH**  
May 2013–March 2015  
Interactive Designer

Collaborated with a team of designers and developers on interactive projects. Responsible for execution from concept to design on mobile and responsive websites, apps, UI/UX, e-mail marketing, brand development, print design, and marketing materials for clients. Used HTML, CSS, and WordPress skills for projects.

**Origo Branding Company • Columbus, OH**  
May 2012–May 2013  
Graphic Designer

Responsible for execution from concept to design on identity systems, brand guidelines, packaging, ad campaigns, websites, and other advertising media.
